The fort looks significant.

I also looked at the license plates of the cars. They all look like they are white with 2 blue strips on the sides.

The style of the buildings and the climate looks Mediterranean.

Albania or Italy fit this.

Looking at the signage on the boat it doesn't seem to use the other common Albanian characters so I banked on an island near the Italian coast (because of the car ferry)

I google image searched: **italian fortress on island harbour bay**

looks like it. Elba. Forte Falcone
